

### Traffic information:

The Munt La Schera tunnel is only accessible on one lane. Traffic is regulated by traffic lights. Please inform yourself about the current road conditions before your arrival: [www.strassen.gr.ch](http://www.strassen.gr.ch)

### Technical data:

The tunnel has a total length of 3.5km and is only accessible on one lane. The maximum vehicle height is 3.60m and the maximal vehicle width is 2.55m. Violations against the maximum height and width will be reported to the police.

### Official ban on bicycles:

For safety reasons, the Munt La Schera tunnel is subject to an official ban on bicycles. Please use the public bus line Livigno – Zernez – Livigno which can transport a limited number of bicycles. It is recommended to make a reservation with the company Silvestribus in Livigno. Larger groups can also book directly with the company Silvestribus for a transport through the tunnel. E-Mail: [info@silvestribus.it](mailto:info@silvestribus.it), Phone: +39 0342 99 62 83 [www.silvestribus.it](http://www.silvestribus.it)

**From the beginning of June to the end of August you can use our bike shuttle service.**
